

Friday 5th January 2024

Dear Parent/Carer

Year 9 Parents' Evening and GCSE Option Evening

We are pleased to inform you that the Year 9 Parents and Options Evening will take place on Thursday 25th January between 3.30pm and 5.45pm. This is an opportunity to meet with your child's subject teachers and Heads of Year who will discuss their progress and answer any questions you may have with regards to achievement, attendance, behaviour, and targets.

This year you will also have an opportunity to discuss your child's options for next year with subject staff. You will be given your son/daughters options sheet on the night. There will be a short presentation to explain the options process which will explain everything you need to know to support your child with this important decision. It is vital that as a parent/carer you are fully aware of your child's progress and targets and what they need to do to achieve to their full potential as your support will have a significant influence on helping them to make the correct choices.

I have attached a short video explaining the options process and your child will also be part of an assembly on Monday 22nd January explaining the options process to them.

When you arrive, please go straight through the gates down to the PE block where you will be met by Student Leaders who will direct you into the building. You will also be given a copy of your child's most recent report for reference during your discussions.

I look forward to meeting you.

Yours faithfully,

Mr M Azum
Head of School
