Notice is given that Carlton Academy Trust is applying to the Secretary of State for Education for consent to dispose of playing field land at Carlton Bolling, Undercliffe Lane, Bradford, West Yorkshire, BD3 0DU.

As part of the application process, the trust must consult with various interested parties and members of the public on the proposed disposal.

The area under consideration is approximately 3,640m² and comprises unused grassed land. The land is separated from the school by fencing and is not used by the school for any purpose. To the best of the trust's knowledge, this area has not been used by anyone since at least 2009.

At the end of the lease term, the land will revert to the trust. The solar farm itself will require planning permission and will be subject to a separate consultation and approval process.

The area concerned is shown edged black and indicated by a red arrow on the aerial view below.
